

PAINTBALL PROGRAM | (RAPPAHANNOCK)

It is the strict policy of the BSA that at no point and time will any firearm or firearm like equipment be pointed at another person or person like object. Our program will strictly enforce the policy that our paintball markers will always be aimed and fired at predetermined targets, approved by the acting Range Officer.

	THE BSA STRICTLY PROHIBITS SHOOTING PAINTBALL MARKERS AT OTHER PEOPLE OR PEOPLE LIKE OBJECTS. THIS CLASS WILL STRICTLY SHOOT ONLY AT DESIGNATED TARGETS, ON A RANGE & ACTION TARGET COURSE. ALSO, ALL THOSE WISHING TO USE THE ACTION TARGET COURSE MUST FIRST EARN THEIR RANGE SAFETY CARD BY TAKING THE DAILY CLASS OR COMPLETING AN OPEN TIME CERTIFICATION SESSION.							

In addition, Scouts who take the time to complete their range safety certification will receive a verification card, which they can later use to gain access to the range and action target course, under the guidance of our staff. Certification cards can be achieved by either attending the first session of scheduled paintball classes or by taking the certification during afternoon program.

In addition to the regularly scheduled paintball sessions, we're excited to offer a nighttime action target course, where Scouts can test their skills and work together in navigating a unique and exciting course opportunity (Thursday). All Scouts who attend and complete the course instruction over the week, along with staffing one session during afternoon or evening program will earn a special edition commemorative paintball patch!

THIS PROGRAM COSTS AN ADDITIONAL \$10 PER PARTICIPANT. SPACE IS LIMITED, SO SIGN UP QUICKLY!
