

NATURE/ECOLOGY (BOBCAT SHELTER)

Our Nationally Certified BSA Ecology Director and his trained staff will be sure to help your scouts earn ecology badges and get a better understanding of our land, air, water, and life systems. Camp conservation projects are available for units that want to do troop team-building, develop youth leadership, and improve their camp. Also, come and join the camp-wide astronomy outpost!

Cost	NATURE (BOBCAT SHELTER)	9AM	10AM	11AM	1:30PM	3PM	4PM	Pre Req.
